The Banjaran Hot Springs Retreat

bags Booking.com Guest Review Award

Hot on the heels of its recent win of the Tripadvisor Travellers' Choice Award, The Banjaran Hot Springs Retreat does it again by bagging the Booking.com Guest Review Award!

The award was a result of The Banjaran's commitment to providing exceptional hospitality services that led to extraordinarily high review scores from satisfied guests.

Congratulations to the team on their awards. What a true leading example of Sunway's core value of excellence!
