

## **IMPLEMENTATION OF MALAYSIAN GOVERNMENT 6% SERVICE TAX**

Effective 1 September 2018

As announced by the Ministry of Finance Malaysia, the Goods and Services Tax (GST) will be replaced with the Sales and Services Tax (SST) effective 1 September 2018. All hotel accommodations, food and beverage and ancillary services are categorised in the provision of services, hence subject to six percent (6%) service tax.

We are currently updating the pricing on all our menus and printed collateral. The final price will be subject to 6% service tax and related prevailing taxes or charges (where applicable), which will be reflected at bill settlement.

We appreciate your understanding during this transition period.

Thank you
